

# HomeCare Connect

## Training and Job Placement Program for job seekers with intellectual disabilities seeking opportunities in the Home Care Sector

### TRAINING

6 week training program: Learn in-demand skills to develop employment readiness (in class and in person)

### PLACEMENT

13 week job placement: Get on-the-job learning and work experience

### JOB RETENTION

Ongoing support to promote long term employment success

### WHO WE ARE

HomeCare Connect is a partnership between TNG Community Services and Project Work, dedicated to supporting individuals with intellectual disabilities access employment in the home care sector.
